IPGP representative:

Individuals who are granted the privilege to use the computer and/or network resources of IPGP agree to accept responsibility for reasonable use. Activities beyond those stated in the [IPGP Computer and Network Resources Use Policy](#) are strictly prohibited. IPGP computer and network resources may be accessed by authorized users.

Anyone using these resources expressly consents to being monitored. If monitoring reveals possible evidence of any activity violating the IPGP Computer and Network Resources Use Policy, appropriate action will be taken.

*I, (First name, Name)
IPGP's firewall to access:*

understand the rules and ask for an account on the

The Lenovo/DANTE cluster (via stella)
