Some rules essential to remember and respect

PAID OR UNPAID INTERNSHIP

POSITION SHEET

- The position sheet is to be completed after having found an internship project and 2 supervisors: an Internship Supervisor & an Academic Tutor.
 - > **The Internship Supervisor:** the person who will mentor you in the host organization.
 - > **The Academic Tutor:** UPC or IPGP teacher who supervises you at the university. A Non-permanent worker, for example a PhD student, cannot be an Academic Tutor.
 - > *Your Faculty member in charge of Internship Course can be your Academic Tutor or advise you on the choice of an Academic Tutor.*
 - > *An Academic Tutor **cannot** supervise more than 16 trainees simultaneously.*
 - > *The same person **cannot be** both an Academic Tutor and an Internship Supervisor.*
- The position sheet is a document internal to the department that allows a more fluid communication between the student, his/her Head of Program and his/her Faculty member in charge of Internship Course who validate the position sheet by email.
- The Internship Supervisor & The Academic Tutor do not sign the position sheet but sign the internship agreement.
- The position sheet must be filled in and validated before preparing the internship agreement.

INTERNSHIP AGREEMENT AND 3 DOCUMENTS: 1 week before start of the internship

- An internship cannot begin if:
 - a) the agreement is not signed by all parties (no social protection for the student and the host organization)
 - b) those 3 documents have not been submitted: civil liability certificate + attestation d'affiliation de Sécurité sociale + Carte vitale
- The effective date of the internship is the same as the date of the last signature, usually that of the university.
- An amendment to the agreement must be completed (same link and number as the work placement agreement) if the internship is modified (dates, hours, interruption period).
