Some rules essential to remember and respect

PAID OR UNPAID INTERNSHIP

POSITION SHEET

- **The position sheet is to be completed after having found an internship project and 2 supervisors: an Internship Supervisor & an Academic Tutor.**

> **The Internship Supervisor:** the person who will mentor you in the host organization.
> **The Academic Tutor:** UPC or IPGP teacher who supervises you at the university. A Non-permanent worker, for example a PhD student, cannot be an Academic Tutor.
> *Your Faculty member in charge of Internship Course can be your Academic Tutor or advise you on the choice of an Academic Tutor.*
> *An Academic Tutor **cannot** supervise more than 16 trainees simultaneously.*
> *The same person **cannot be** both an Academic Tutor and an Internship Supervisor.*

- **The position sheet is a document internal to the department** that allows a more fluid communication between **the student,** his/her **Head of Program and** his/her **Faculty member in charge of Internship Course** who **validate the position sheet** by email.
- **The Internship Supervisor & The Academic Tutor do not sign the position sheet but sign the internship agreement.**
- **The position sheet** must be filled in and validated **before preparing the internship agreement.**

INTERNSHIP AGREEMENT AND 3 DOCUMENTS: 1 week before start of the internship

- **An internship cannot begin** if:
  a) the agreement is not signed **by all parties** (no social protection for the student and the host organization)
  b) **those 3 documents have not been submitted:** civil liability certificate + attestation d'affiliation de Sécurité sociale + Carte vitale
- **The effective date of the internship** is the same as the date of the last signature, usually that of the university.
- **An amendment to the agreement** must be completed (same link and number as the work placement agreement) **if the internship is modified** (dates, hours, interruption period).
